Subject: docket 95-116

To Whom It May Concern:

I am writing to voice my support for docket 95-116. We are able to keep our "land line" phone numbers when we switch telephone companies; we should be able to do the same for cellular phones as well. I have had the same cellular phone number for almost six years, and I don't want to change it. However, I would like to be able to shop different carriers, price plans, and cell phones. Passing this bill will allow me, and others like me, to do that. I look forward to November 24 (I have heard that this is the date it will take effect).
Thank you for your time.

Very truly yours,
